

2023 GCE O-Level Results Release: Supporting Your Teen

Dear Parents / Guardians of Secondary 4EXP & 5NA,

The 2023 O-Level results will be released on Thu, 11 Jan 2024. Arrangements have been made for students to receive their results from 2.00pm onwards. Students must be in proper school attire and personal grooming to receive their results from their form teachers in the school hall. Students who are unwell should seek medical attention and not return to school to collect their results.

Students who are unable to collect their results in person can also appoint a proxy to collect a physical copy of their results from the school. Proxies are required to produce the relevant documents for the school's verification when collecting the results. You may contact the school for assistance with the appointment of a proxy.

Parents / Guardians are invited to be present during the release of results. The school will be opened from 1.45 pm onwards. If there are insufficient parking spaces in the school compound, parents / guardians can park their vehicles at the nearby HDB car parks.

Regardless of the outcome, it is important for our teens to know that they are loved for who they are, and that their grades do not define them or their future. The social and emotional support you provide will be especially valuable and crucial in helping our teens manage their emotions and be positive when deciding on their next steps.

Do take this opportunity to have further open conversations with your teen about their interests and choices and build their pathways together.
